Full professional proficiency

◆ REFERENCES AVAILABLE ON REQUEST

Hamza Ali

DEVOPS INTERN CANDIDATE · COMPUTER ENGINEER

◆ PROFILE

Computer Engineering graduate (BS, 2024) with hands-on DevOps internship experience building CI/CD pipelines with Jenkins for a Node.js application. Strong Linux and programming foundation (C++, HTML, CSS), currently working toward Linux Foundation and KodeKloud certifications. Seeking a DevOps internship to grow into a proficient DevOps engineer focused on automation, reliable deployments and infrastructure.

◆ EXPERIENCE

DevOps Intern
SEP 2024 – DEC 2024

SKYRASS IT Center — Rahim Yar Khan, Pakistan
- Designed and implemented a complete CI/CD pipeline to automate the build, test and deployment of a sample Node.js web application.
- Integrated Jenkins for job scheduling and automated testing.

Professional Development
Self-directed — Linux · DevOps tooling · Cybersecurity
- Upskilling through structured certification programs in Linux administration, DevOps tooling and cybersecurity.
- Preparing for the Linux Foundation Certified System Administrator (LFCS) pathway via KodeKloud.

◆ PROJECTS

Accident Detection & Alerting Model
COMPUTER VISION

Designed a traffic-monitoring system for real-time vehicle detection and classification, traffic-flow analysis, incident detection and scalability.

Traffic Light Control System
EMBEDDED SYSTEMS

Built a traffic-light controller that coordinates signals so traffic moves smoothly and safely through intersections.

Battle Bot
ROBOTICS

Built a custom robot for combat competition — awarded 2nd position in the Hardware Project category at ESPICE, KFUEIT.

◆ EDUCATION

BS Computer Engineering
2020 – 2024

Khwaja Fareed University of Engineering & Information Technology

FSc Pre-Engineering 2018 – 2020
Punjab Group of Colleges

◆ ACHIEVEMENTS & ACTIVITIES

- **2nd Position — Hardware Project (Battle Bot)**
  ESPICE Competition · KFUEIT
- **Media Director**
  XCESS Society · KFUEIT
